

COUNTY OF YORK

MEMORANDUM

DATE: January 22, 2001 (BOS Mtg. 02/6/01)

TO: York County Board of Supervisors

FROM: James O. McReynolds, County Administrator

SUBJECT: Street Name Change--Drew Road to Bronze Court (Williamsburg Bluffs Sub-division)

Issue

This is a request by the Tower Park Corporation to change the name of a stub street in the Williamsburg Bluffs subdivision from Drew Road to Bronze Court. This stub street was named Drew Road when the Williamsburg Bluffs Subdivision, Section 1, Phase 1, was recorded on January 31, 1992, when the approved plan for the Bluffs called for the street to be extended to connect to Drew Road in the Carver Gardens Subdivision. On May 5, 1999, the Board of Supervisors approved an amendment to the Planned Development which eliminated the extension and called for this stub street to end in a cul-de-sac in the Williamsburg Bluffs portion. Since the street will no longer connect with Drew Road in Carver Gardens, its name needs to be changed. Attached is a letter from the sole property owners fronting this portion of Drew Road confirming their support in favor of the name change of this stub street from Drew Road to Bronze Court.

Consideration

According to Section 20.5-79(d) of the Subdivision Ordinance, names of recorded or existing streets shall not be changed except by resolution of the Board of Supervisors.

Recommendation

The proposed street name Bronze Court has been determined to be an acceptable street name with respect to the requirements of the Subdivision Ordinance. I, therefore, recommend that the attached proposed Resolution R01-5 be adopted to approve the requested street name change.
